

Wellness Policy

For the protection of all our children, please do not bring your children to class if they exhibit any of the following symptoms:

- Fever greater than 100.4 in the last 24 hours
- Vomiting or diarrhea in the last 24 hours
- Common cold (onset through one week)
- Any unexplained rash
- Cloudy or green runny nose
- Pink eye or other eye infections
- Cough
- Any communicable disease
- Any symptoms of common childhood diseases, such as chicken pox, strep throat, etc.
- Any symptoms of Covid-19 such as sore throat, chills, shortness of breath, muscle pain, fever, cough

If your child or anyone in your family has been exposed to or potentially been exposed to Covid-19:

- If everyone is asymptomatic and the adults involved are vaccinated, we ask that all family members 6 and older wear a mask when attending church for 14 days or until a negative test result is obtained.
- If an unvaccinated adult was exposed or anyone has symptoms, we ask that you not return to kid::life for 14 days from the time of exposure, 10 days from the onset of symptoms, or 24 hours after a fever is resolved without the use of fever reducing medications, whichever is lessor or a negative test result is obtained.
- If your child or family member has been diagnosed with Covid-19 and has been to our facility within 48 hours of the onset of symptoms, we ask that you notify the church immediately.
